Cutting

The cutting instructions are generalized for both of the quilts. Cut strips across width of fabric, unless otherwise instructed. **IMPORTANT NOTE:** Cut strips and squares from the Medallion prints first, as listed below. Leftovers from those prints can then be used in the blocks.

From Blue Medallion (Red/Blue Quilt) -OR- Brown Medallion (Pink/Green Quilt), cut:

- 10 strips, 2½" x 40", for double-fold binding

From Red Medallion (Red/Blue Quilt) -OR- Pink Medallion (Pink/Green Quilt), cut:

- 137 squares, 2½" x 2½", for B squares (128) and cornerstones (9)

From Ecru Mini Grid, cut:

- 16 squares, 9¼" x 9¼"; cut each square twice diagonally to make 64 of triangle E
- 16 squares, 5¼" x 5¼"; cut each square twice diagonally to make 64 of triangle C
- 192 squares, 2½" x 2½", for B squares

From Blue/Ecru Toile (Red/Blue Quilt) - OR - Brown Toile (Pink/Green Quilt), cut:

- 24 rectangles, 2½" x 16½", for sashing

From Border Stripe, cut:

- 4 strips, 9" x length of fabric, for outer border (Strips are cut long, and will be trimmed to size later.)

Use the next 7 prints on the materials list, as well as the leftover Medallion prints, for the A, D, and F block pieces. Refer to the photographs for fabric placement and cut as follows:

For each of the 16 blocks, cut:

- 4 same-print squares, 4⅞" x 4⅞"; cut each square once diagonally to make 8 of triangle F
- 1 square, 4½" x 4½", for A square
- 4 same-print squares, 2⅞" x 2⅞"; cut each square once diagonally to make 8 of triangle D

Block Assembly

All seams $\frac{1}{4}$ ". Press seams in direction of arrows unless otherwise instructed. Assembly instructions are the same for both quilts. Refer to photographs for fabric placement.

- Using 1 assorted-print $4\frac{1}{2}$ " A square, 4 Ecu Mini Grid $2\frac{1}{2}$ " B squares, 4 Ecu Mini Grid C triangles, and 8 same-print D triangles, assemble a star block as shown. Repeat to make a total of 16 blocks.

- Using 2 Ecu Mini Grid $2\frac{1}{2}$ " B squares, and 2 Medallion $2\frac{1}{2}$ " B squares, make a fourpatch unit as shown. Repeat to make a total of 64 units.

- Using 1 Ecu Mini Grid E triangle, and 2 same-print F triangles, make a triangle unit as shown. Repeat to make a total of 64 units (be sure to make 4 matching triangle units for each block).

- Using 1 star block from Step 1, 4 fourpatch units from Step 2, and 4 matching triangle units from Step 3, assemble a star-within-a-star block as shown. Repeat to make a total of 16 blocks.

Quilt Top Assembly

- Using 4 star-in-a-star blocks, and 3 Toile $2\frac{1}{2}$ " x $16\frac{1}{2}$ " sashing rectangles, assemble a block row as shown. Repeat to make a total of 4 rows.

- Using 4 Toile $2\frac{1}{2}$ " x $16\frac{1}{2}$ " sashing rectangles, and 3 Medallion $2\frac{1}{2}$ " cornerstone squares, assemble a sashing strip as shown. Repeat to make a total of 3 strips.

- Sew together block rows and sashing strips, as shown in the Quilt Assembly Diagram on the back page. Press seams toward sashing strips.

Borders

With right sides together (and making sure that the design is oriented correctly, with the decorative stripe portion of the design at the inner border), pin border strips to sides of quilt top (border strips should extend approximately equally beyond top and bottom of quilt; it's easiest if you start pinning at the center of border and work outward). Sew border strips to sides of quilt top, beginning and ending $\frac{1}{4}$ " from raw edges of quilt. Backstitch to secure. Press seams toward borders. Now sew the top and bottom borders to the quilt top; start and stop your seams at the point where the side borders join the quilt ($\frac{1}{4}$ " from edges). Backstitch to secure. Press seams toward borders. Miter corners using your favorite technique.

Finishing

Layer quilt top, batting, and backing. Quilt as desired. Bind. Don't forget to sign and date your finished quilt.
